

# Share The Care

A Program for community health care providers to help each other while in the process of giving the most reliable care to the people we serve.

You find yourself short of CNAs, call

## LifeCare

First

We will send someone from our staff to you.

### The Advantage to you:

You will not have to call in a person for a full shift.

You will not have to pay "over time".

You will increase your bottom line.

### The Advantage to us:

We can give our employees more hours.

We can offer our employees different types of Care.

We will increase our bottom line.
